JUNIOR MARKET LAMB SHOW AT RODEO AUSTIN DRAWS CROWD

Austin, Texas, March 19, 2016 - The Junior Market Lamb Show took place today at Rodeo Austin, drawing a large crowd of competitors from all over Texas.

Competitors compete in multiple breed categories including Medium Wool, Fine Wool, Fine Wool Cross and Southdown.

Carlye Winfrey, freshman from Seminole, Texas, loves the competition within the livestock industry. She also placed 3rd in her class of Medium Wools.

"I love the livestock industry and showing because of the people," Winfrey said. "I get the opportunity to meet all kinds of people and create friends from all over the state."

The freshman got into showing because of her two older brothers, Alec and Bryce, who were both very competitive in lamb shows. She has a strong passion for livestock and agriculture, and showing made sense for her.

"Agriculture is a vital part of life, and I don't think everyone knows that," Winfrey said. "I think it is important to promote as much as you can and be a positive influence for the industry."

Winfrey plans to attend Texas Tech University in either Agricultural Communications or Journalism, as long as she is giving back to the industry.

The Junior Market Lamb Show results are below.

Media interested in attending should contact Presley Holloway, Marketing Coordinator, at Presley@RodeoAustin.com or 512-919-3000.

Carlye Winfrey places in the top three in the last medium wool class of the day.
